Bespoke *Yours Truly* Weddings at Capella Singapore

Curating a destination wedding at Singapore's colonial-style sanctuary on Sentosa island

(Shanghai, 21/02/2019) – Every now and then, we are reminded that fairytales do come true to make the ordinary, extraordinary. Capella Singapore offers various venues as the perfect backdrop for that inspiring love story to unfold amidst 30-acres of lush greenery, complemented by dedicated service and top quality cuisine.

Capella Singapore's *Yours Truly* service provides the assistance of professional wedding planners to make every bride's dream come true. Packages for 2019 and 2020 are now available for couples looking to get a head start on their planning.

Overlooking the South China Sea from atop lush tropical gardens on Sentosa Island, the colonial-style sanctuary provides a tailored all-encompassing service from wedding decorations and favours, to curated menus as well as unique venues. The resort also

offers the services of a resident Floral Artisan who spends time getting to know the couple to better conceptualise floral themes for their wedding.

“Yours Truly is conceptualized with the individual in mind, catering an event that is customized truly for him or her,” said Mr. Fernando Gibaja, General Manager of Capella Singapore. “We do that by spending time and learning their preferences, understanding their quirks and personalities so that we may tailor every detail to fit the couple, therefore our possibilities are endless.

Reception venues centre on the elegant, intimate Sentosa Room, accommodating 150-180 guests for banquets, with floor-to-ceiling windows for spectacular views over the glittering South China Sea and tropical gardens. Packages at the Sentosa Room are priced from S\$1,588 per table of ten, inclusive of a romantic night stay on the night of the wedding.

For even grandeur celebration, the spectacular Grand Ballroom is Singapore's only circular pillar-less ballroom, with a dazzling glass dome displaying spectacular lighting effects. The Grand Ballroom can host up to 400 guests for banquets and 700 guests for cocktail reception. Grand Ballroom packages are priced from S\$1,688 per table of ten, with numerous benefits including two nights stay on the night of the wedding.

The resort's iconic outdoor cascading pools are also favourites for solemnisation ceremonies, with couples walking on water to say their 'I dos' surrounded by families and loved ones.

To complement the wedding packages, a Spa Bridal Package offers a chance for brides and their bridesmaids to indulge in a pre-wedding pampering session for that blissful glow and de-stressing body massage ahead of the ceremony. It features a 90-minute body treatment, 60-minute facial ritual, glass of Champagne and Afternoon Tea at Chef's Table, priced at S\$420 per person with a minimum of 4 persons.
