Hotel guests celebrating their birthdays in May and June during their stay will enjoy free park admission and a series of exclusive park ticket offers for their family and friends*.

The hotel anniversary offers ensure endless fun for Hong Kong residents enjoying their vacations in Hong Kong!

“The exclusive offers are introduced specially to celebrate the first anniversary of Disney Explorers Lodge together with all Hong Kong residents. We are delighted to share this happy occasion with local residents to show our appreciation of the local community’s support of the resort,” said Terruce Wang, vice president, sales and hotel operations of HKDL.

A new Express Online Check-in Service will also be launched in the second half of April for the three resort hotels, as part of the resort’s ongoing efforts to enhance service standards. Guests can enjoy their stay making the most of their time at HKDL.

Wang added that the new service would streamline the check-in process to four simple steps. After booking a room, guests can complete online check-in within seven days prior to arrival date. On the check-in day, they can head straight to the hotel front desk to provide a deposit, collect the key card for their rooms, and begin to enjoy their stay comfortably.

Disney Explorers Lodge officially opened on Apr 30, 2017. With 750 hotel rooms and nearly 70% of the rooms interconnected, the hotel themed after exotic cultures is an ideal resort location for gatherings of friends and families as well as sizable private or corporate parties. Wang believed that, complemented by facilities and recreational activities in the resort’s two other hotels as well as new attractions and fun-filled seasonal offerings at the park, the resort is best placed to offer an all-round “staycation” experience, further cementing the resort’s position as a premier family-friendly tourist destination in the region.
