The Chartered Institute of Marketing Hong Kong (CIM Hong Kong), the world's leading professional marketing body, announces the successful Bay Area Vitality Lifestyle Brand Outstanding Award 2026 (VLBOA) Presentation Ceremony held on January 23, 2026, at the Hong Kong Convention and Exhibition Centre. As the Chartered Institute of Marketing sets global standards for competent, responsible marketing via its Global Professional Marketing Framework, CIM Hong Kong supports regional marketers with qualifications, networks and events to drive innovation and impact. Organized by CIM Hong Kong together with Vegetarian Food Asia and Vitality Living Asia 2026, the VLBOA celebrates excellence in smart technology, healthy dietary and sustainable living across the Greater Bay Area.

### Award guidelines and categories

The Bay Area Vitality Lifestyle Brand Outstanding Award 2026 adopts a professional review mechanism, focusing on three core categories: Smart Technology, Healthy Dietary (Non-vegetarian/vegetarian) and Sustainable Living. Products and services must demonstrate clear application in the market, innovation within their sector, solid sales or adoption performance, sustainable development considerations and relevance to the Greater Bay Area development strategy.

Each category evaluated against criteria such as team profile, business concept and execution, sales and certification, brand narrative and design, as well as long-term vision and societal or environmental contribution. The 2026 cycle attracted entries from across the region, including functional foods, elderly nutrition solutions, health solutions, eco-friendly products and other vitality lifestyle innovations.
